Toronto's A-list society and industry influencers packed the Carlu to pay tribute to 10 of Canada's leading men at the fabulous black-tie 50th anniversary Weizmann Canada's Leading Men Gala. Honoured were Dr. Daniel C. Andreae, Tom Beck, Jordan Banks, Sam Belzberg, David Cynamon, Jeremy Freedman, Rob McEwen, Ralph Medjuck, Calin Rovinescu and William Shatner. Over six million dollars was raised toward ongoing basic scientific research — well done!

## Ed Robertson and Jim Cuddy help athletes go for gold

Chef John Horne from Canoe proved his culinary prowess, taking home the gold award at the prestigious 2014 Gold Medal Plates competition in Toronto. Lucky guests mingled with Olympians, dined on creations from some of T.O.'s finest culinary masters and enjoyed extraordinary wines and outstanding musical performances. Proceeds from the event will go to the Canadian Olympic Foundation.
